FARM SAFARI

The historic Gibb's Farm is the perfect starting point for the exploration of Lake Manyara National Park, Ngorongoro Crater and their surrounding region. Explore Tanzania's National Parks on a full-day guided game drive to Manyara National Park or the Ngorongoro Crater. \$180 pp

The African Living Spa experience begins in one's personal farm cottage, a sanctuary for the senses. The Maasai Traditional Healer's remedies are drawn from indigenous healing philosophies that have passed through the hands of many generations. A complete sensory journey. \$90pp
